 - b. Tara DaVee reported on the Prevention Workgroup. Two staff members, Dash and Derek will be leaving the Prevention team. Staff is continuing to work with schools as they prepare for opening. The group took a deeper dive into the Triple P program and how to reach families during Covid.
- IV. Updates
 - a. Lane Community Health Council- Char Reavis. Char reported on the Lane Community Health Council funds given to HIV Alliance for the Needle Exchange Program.
 - b. Debi Farr and Amanda Cobb gave the Trillium report. Repurposing Cornerstone sponsorship \$ for the Books and Bites program in

partnership with the Eugene Public Library. Free age appropriate books and snacks to kids living in Cornerstone and Homes for Good properties in Eugene/Springfield.

- V. OHP Renewals and Application Assistance- Jaqueline McCall, OHA
OHP renewals are happening automatically at this time. No one should fall of the plan. If there is a change in a member's circumstances, they can contact an application assister for help. She provided an overview of where to find assisters. Lane County Community Health Centers, White Bird Clinic, Willamette Family and Centro Latino Americano are all community partners that can provide application assistance.
