

## **Lane County CCO Community Advisory Council Public Comment Process**

The Community Advisory Council (CAC) welcomes public input on public health matters that directly impact Oregon Health Plan members. The CAC may ask clarifying questions of the public during the meeting to better understand their feedback. The CAC will not make immediate decisions based on public comment. The CAC may take comments under advisement for discussion and action in the future.

Members of the public need to sign up in advance to give their comments.

- Speakers will give their comments in the order in which they signed up.
- Speakers are limited to 3 minutes per comment.
- Public comment is limited to 12 minutes in total.

The CAC co-chair has the right to shorten the time given to each speaker. The CAC co-chair may also extend the time given for public comment.

**To sign up for public comment, email the following information to Kayla Watford, CAC coordinator, at [kayla.watford@lanecountyor.gov](mailto:kayla.watford@lanecountyor.gov) at least 48 business hours prior to the CAC meeting:**
