### Program Overview

Lane Community Health Council has acquired two mobile tents available for loan to community-based organizations to borrow for events and to deliver mobile primary care services in the community. This resource was procured to respond to the increased need in the community for mobile primary care throughout Lane County as well as healthcare events. LCHC’s Mobile Tent Program intends to expand available resources so that community organizations delivering primary care can expand their reach throughout Lane County, including expanded access to rural regions.

### Product Information

The two mobile tents are the ASAP-12 shelter from [Deployed Logix](#). View the [full product sheet here](#).

## Lane Community Health Council

### Requirements & Recommendations

- Product includes one tan box and one red box per tent. A full-size truck is needed to haul the equipment.
- Four people are needed to lift the equipment boxes.
- Two – four people are recommended for set up.
- A step ladder is recommended for set up.
- If gasoline is used, expectations are that the generator and gas can will be filled back to the levels at initial pick-up.

### Loan Process Overview

Loan requests may be made to the Lane Community Health Council. To make a request, complete the Loan Request Form on the LCHC website. Once the request is received, Lane Community Health Council will then confirm your pickup date and time. **Requests must be made to the Health Council with at least 4 business days' notice. Availability is not guaranteed.** If the tent(s) are available on your requested date(s), LCHC staff will then provide the required set-up training videos and confirm your pickup date and time from Lane County Public Works. Lane Community Health Council will ensure that Lane County Public Works Department receives 72 hours of notice prior to scheduled pickups. See page 4 for pickup instructions. Tent(s) must be returned to Lane County Public Works on the date indicated below. If you are unable to return the tent(s) on the date indicated, contact LCHC staff.

**Submission of a Mobile Tent Program Loan Request Form constitutes your and the Organization's agreement to the following Loan Agreement Conditions and Liability Release Terms which follow. By submitting the Request Form, the Renting Organization agrees to these Terms and Conditions.**
